

SEEKERS of the LIGHT MC

Application for Membership Instructions

My Brother,

Thank You for considering an association with the Members and Brothers of the SEEKERS of the LIGHT MC, aka "SEEKERS MC."

In order to become a member of the SEEKERS MC you must be a member in good standing of a Masonic lodge. Membership in the SEEKERS MC is open to Masons of all degrees, be it Entered Apprentice, Fellow Craft, or Master Mason. The SEEKERS MC Guardian of Membership for your area will require you to submit a copy of the following documents as validation of your Masonic status and degree:

- Master Masons – copies of your Blue Lodge card and valid state Driver's License (for identity validation only)
- EAs and FCs – a letter from your home lodge validating the degree held and signed by the Lodge Secretary, and a copy of your valid state Driver's License (for identity validation only)

There is also a \$185.00 USD donation to the SEEKERS MC for your patches. This includes your first year \$25.00 USD dues donation as a member. There is an annual dues donation of \$25.00 USD due on or before by March 15th of every year for every Member who was active prior to January 1st of that year. Since road name patches and state/country flag patches are optional these patches are not included in the initial patch issue set and must be purchased by yourself separately. Information on ordering road name patches can be found in the Member's Section of the MC website which you will be given access to once your application process is complete.
